

Meyler Campbell Unleashed

We are delighted to announce that the next Open [Unleashed Programme](#) will run from October 2019 to March 2020.

Our Unleashed Programme has been designed to fit the demanding work schedules of modern leadership; it is the leadership development programme that transforms the way you lead and relate to others. The programme enables leaders to combine mentoring (giving your own advice and knowledge) with coaching (liberating your team members' ideas and energy). Meyler Campbell Unleashed has been awarded the "Recognised Leader as Coach" status by the [Association for Coaching](#) (AC).

If you would like to know more about our Unleashed Programme, [click here](#), or if you know someone who might be interested in knowing more, please forward on this email.
